NEST

ORGANISATION BROCHURE

ABOUT NEST

Nest is a homegrown, community owned, non-profit organisation founded as a youth group in 2017 and registered in 2019 under the Manipur Societies Registration Act 1989. It is a youth led Organization governed by an 11 member Governing Board elected every three years.

THE ESSENCE OF NEST

Nest aims to develop a healthy space where each individual can hone their skills, nurture their dreams and pursue their aspirations while playing their part in building resilient and sustainable communities.

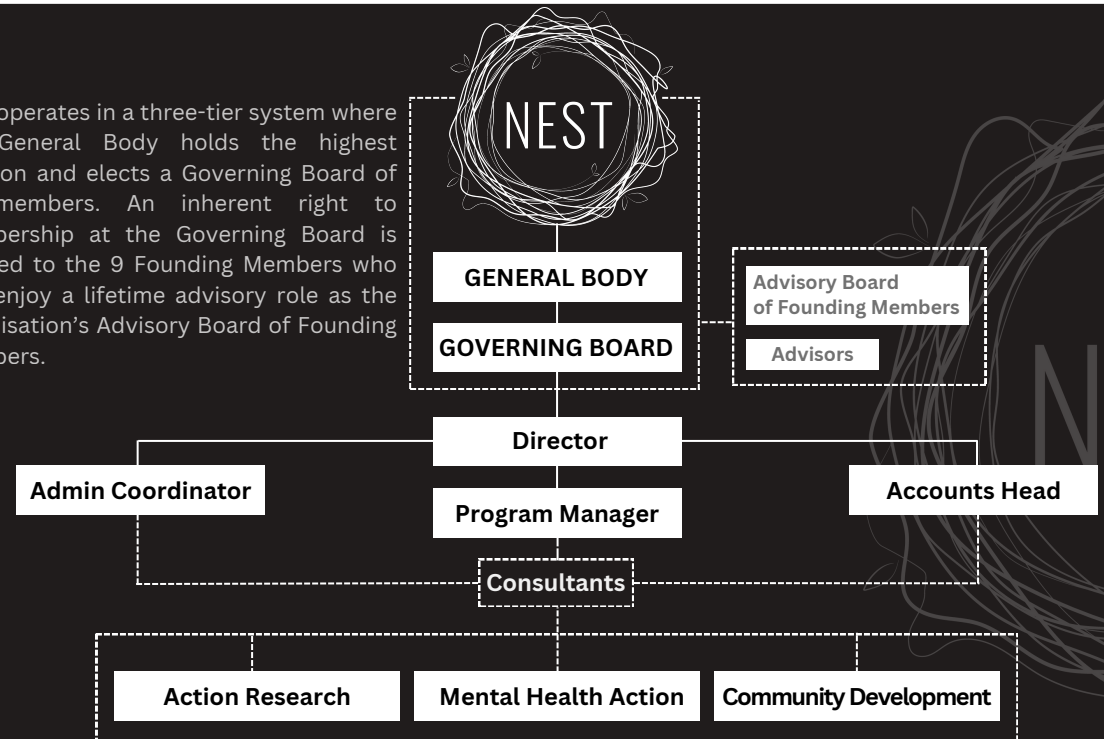

OUR VISION

NEST is committed to the vision of initiating positive social transformation through innovative interventions and facilitating the development of an environment where each individual gets to live life to its fullest in a peaceful, harmonious, equal opportunity setting.

OUR MISSION

To promote youth-led initiatives towards empowering individuals and communities. Provide an enabling platform for young people to rise to the best of their potentials.

Nest operates in a three-tier system where the General Body holds the highest position and elects a Governing Board of six members. An inherent right to membership at the Governing Board is granted to the 9 Founding Members who also enjoy a lifetime advisory role as the organisation's Advisory Board of Founding Members.

ACTION RESEARCH

Building sustainable development through action based research.

1. Voluntary/Self-funded Studies:
